NOTICE OF AMENDMENT OF SPECIFICATION.

No. 822.—Whereas under Notification No. 42, published in the *Federated Malay States Government Gazette* of the 2nd day of January, 1920, notice was given in pursuance of section 21 of "The Inventions Enactment, 1914," that Thomas Arthur Fall, grantee of exclusive privileges in respect of an invention intitled "A positive clutch with a sensitive release," which said invention is the subject of Federal Grant No. 92, had sought leave to amend his specification, No. 7 of 1918, by substituting for the description of his invention contained in the said specification, and for the drawing thereunto attached, an amended description and amended drawing stated by him to have been accepted by the British Patent Office:

And whereas no notice of opposition to such amendment has been received within one month from the first publication in the *Gazette* of the aforesaid notification:

Now therefore it is hereby notified in pursuance of section 21 (vi) of the said Enactment that the Chief Secretary, in virtue of the powers vested in him under section 21 (iv) of the said Enactment, has determined that the amendment hereinbefore described shall be allowed, which amendment accordingly shall, from the date of this notification, for all purposes be deemed to form part of the aforesaid specification, No. 7 of 1918.

By command,
T. P. COE,

for Acting Under Secretary, F.M.S.

11th February, 1920.

(Date of the first publication of the above notification in the *Gazette*, 27th February, 1920.)

"THE LAND ENACTMENT, 1911."

No. 900.—In accordance with section 18 (ii) of "The Mining Enactment, 1911," the lease described in the schedule hereto is hereby declared to be forfeited, the lessee having failed to comply with the conditions thereof.

Dated at Taiping, this 13th day of February, 1920.

W. GEORGE MAXWELL,
British Resident, Perak.

SCHEDULE.

Nature and No. of title—Lease 681. *Lessee*—Chang Ah Kwi. *Situation*—Lot No. 489. *Mukim*—Tupai. *Area*—8 acres 2 roods 10 poles.

NOTICES TO LESSEES TO SHOW CAUSE WHY LEASES SHOULD NOT BE FORFEITED.

No. 901.—To Lee Nam, of Kuala Lumpur:

Whereas there is reason to believe that you have failed to substantially and efficiently carry on mining operations on your mining land described in mining lease No. 31, in the mukim of Port Dickson, in consequence whereof your lease No. 31, dated the 24th June, 1914, comprising the land following—namely:

Situation—Port Dickson mukim. *Area*—111 acres 3 roods. *Boundaries*—North, portion Nos. 243, 373 and 558; South, portion Nos. 244 and 558; East, portion No. 558; West, State land;

has become liable to forfeiture: now, with the approval of the Resident of Negri Sembilan, I hereby call upon you, within three months from the service on you of this notice, to show cause to the satisfaction of the Resident why the said lease should not be forfeited.

Dated at Port Dickson, this 13th day of February, 1920.

C. F. McCausland,
Collector, Coast.

No. 902.—To Lai Pan:

Whereas there is reason to believe that you have failed to comply with the labour condition of your lease, in consequence whereof your lease No. 676, dated the 8th September, 1913, comprising the land following—namely:

Situation—Mukim of Glami Lemi. *Plan*—No. 2,065. *Portion*—No. 274. *Area*—4 acres 36 poles. *Boundaries*—North, T.P. 1,646; East, State land; South, State land; West, State land;

has become liable to forfeiture; now, with the approval of the Resident of Negri Sembilan, I hereby call upon you, within one month from the service on you of this notice, to show cause to the satisfaction of the Resident why the said lease should not be forfeited.

Dated at Jelebu, this 7th day of February, 1920.

S. W. JONES,
Collector, Jelebu.

No. 903.—To the lessees hereunder mentioned:

Whereas there is reason to believe that you have failed for a period of more than twelve consecutive months to substantially and efficiently carry on mining operations on your land or to keep at work thereon such number of coolies as shall be mentioned in the lease or labour-saving apparatus equivalent thereto, in consequence whereof the leases for the said mining land have become liable to forfeiture; now, with the approval of the Resident of Pahang, I hereby call upon you, within two months from the service on you of this notice, to show cause to the satisfaction of the Resident why the said leases should not be forfeited.

"THE SOCIETIES ENACTMENT, 1913."

ORDER BY THE RESIDENT, SELANGOR, UNDER SECTION 17 (i).

No. 911.—Whereas by an order dated the 6th January, 1920, the Society known as the Shau On Hong, a Dhobbies Guild, was dissolved, and by a further order of the same date the operation of section 18 of the Enactment was suspended until the 31st January for the purpose of enabling the said society to wind up its own affairs.

And whereas the affairs of the society have not been wound up, it is now ordered further that the society shall be and is hereby dissolved with effect from the 6th January, and the officer officiating as Protector of Chinese, Selangor, is hereby appointed for the purpose of winding up the affairs of the said society.

Dated at Kuala Lumpur, this 7th day of February, 1920.

A. H. IEMON,
Acting British Resident, Selangor.

"THE TRACTION ENGINES AND MOTOR CARS ENACTMENT, 1912."
APPOINTMENT UNDER.

No. 912.—In exercise of the powers vested in him by section 3 (i) of "The Traction Engines and Motor Cars Enactment, 1912," the Resident of Perak has appointed the following to be a Licensing Officer in and for the sub-district specified:

Sub-district of Kroh ... Mr. G. Walker

Notification No. 655, published in the *Gazette* of the 25th February, 1916, is hereby cancelled.

"THE TRACTION ENGINES AND MOTOR CARS
ENACTMENT, 1912"—(cont.).

No. 913.—In exercise of the powers vested in him by section 20 of "The Traction Engines and Motor Cars Enactment, 1912," as amended by Enactment No. 9 of 1918, and of all other powers him thereto enabling the Chief Secretary to Government rescinds the rules made under the said Enactment and published in the *Gazette* of 20th November, 1914, Notification No. 3422, and of the 5th November, 1915, Notification No. 3134, and of the 22nd June, 1917, Notification No. 1745, and of the 12th April, 1918, No. 1083, and of the 22nd November, 1918, No. 3519, and of the 20th June, 1919, No. 2480, and makes instead the following rules to come into force on 1st March, 1920:

1. In these rules "the Enactment" means "The Traction Engines and Motor Cars Enactment, 1912," and words and expressions defined in the Enactment have the meanings thereby assigned to them respectively.

Brakes:
Motor car.

2. (i) Subject to paragraph (ii) of this rule every motor car shall be fitted with two independently actuated brakes, whereof one must act on the hubs of both driving wheels and each must be capable of holding the car at rest on an incline of 1 in 4 with the engine running and the clutch out.

Motor cycle.

(ii) Every motor cycle shall be fitted with one or more brakes to the satisfaction of the licensing officer.

Carriage.

(iii) Every carriage shall be fitted with a brake capable of being locked which acts on the two hind wheels and is capable of holding the carriage at rest on an incline of 1 in 10.

Traction engine.

(iv) Every traction engine driven by steam shall be fitted with a brake acting on the driving wheels capable of holding the engine and its load at rest on an incline of 1 in 10.

(v) Every traction engine driven by internal combustion engines shall be fitted with brakes as prescribed for motor cars.

Rules of the road:
General.

3. (i) Drivers of traction engines and motor cars when meeting any vehicle shall keep to the left of such vehicle and when overtaking any vehicle shall keep to the right of such vehicle, and no such driver shall on overtaking any vehicle attempt to pass it without giving warning of approach; traction engines and motor cars shall in all cases be so driven as to give as much space as possible for other traffic to pass them.

(ii) Drivers of traction engines and motor cars in motion shall at all times keep their traction engines and motor cars as near as practicable (due regard being had to other traffic) to that side of the road which is on their left hand.

Turning to the right.

(iii) The driver of any traction engine or motor car which it is intended to turn to the right shall give sufficient indication of such intention either by a mechanical signal on the back of the traction engine or motor car or by holding out an arm to the right; in either case the signal shall be so made as to be plainly visible to those controlling the following traffic.

Stopping.

(iv) The driver of any traction engine or motor car which it is intended to stop in traffic shall satisfy himself that he is in a safe position for stopping and shall indicate such intention by giving three short signals with the appliance prescribed by rule 4.

Reversing.

(v) The driver of any traction engine or motor car which it is intended to turn in traffic by reversing shall satisfy himself that he is in a safe position for reversing; no such driver shall reverse in traffic unless there is not room to turn otherwise than by reversing.

Cross-roads and railway crossings.

(vi) On reaching the prescribed road sign indicating the proximity of cross-roads and on reaching any railway crossing traction engines and motor cars shall reduce speed, and speed shall not be increased until the driver has satisfied himself that the way is clear; on approaching cross-roads and railway crossings due warning shall be given by a long signal with the appliance prescribed by rule 4.

(vii) The driver of any motor car which meets on a public thoroughfare another motor car in motion shall before passing such other motor car reduce speed and shall thereafter keep speed reduced until the two motor cars are clear of one another.

(viii) The driver of any motor car which overtakes and passes on a public thoroughfare another motor car in motion shall, while passing such other motor car, slightly increase speed, and the driver of such other motor car shall at the same time reduce speed and shall thereafter keep speed reduced so long as the two motor cars are within 25 yards of one another.

(ix) Every driver of a traction engine or motor car shall, on the request of any police officer or of any person in charge of a horse, or on any such officer or person putting up his hand as a signal for that purpose, immediately bring the traction engine or motor car to a standstill and keep it stationary so long as may be necessary.

"THE TRACTION ENGINES AND MOTOR CARS
ENACTMENT, 1912"—(cont.).

(x) All traction engines and motor cars that may be left on any public thoroughfare shall be drawn up on the left, clear of passing traffic.

(xi) Every traction engine or motor car in tow of any other vehicle on a public thoroughfare shall be under efficient control as regards its brakes and steering gear.

4. All traction engines and motor cars shall be fitted with horns for giving warning of approach; such horns shall be of a type to be approved by the licensing officer and shall be kept in efficient working order, and the driver of every traction engine and motor car in motion shall give therewith from time to time due and sufficient warning of his approach. No bell shall be used to give such warning; and no exhaust whistle nor any apparatus operated directly or indirectly by the propelling mechanism of the traction engine or motor car shall be used to give such warning within the limits of any town.

Appliances for giving warning of approach.

5. No person shall sound any horn, bell, whistle or similar appliance on a motor car when the car is stationary on a public thoroughfare, except when reasonably necessary to prevent risk of collision.

6. No person shall sound any horn, bell, whistle or similar appliance on a traction engine or motor car for a period longer than is absolutely necessary to give warning of approach, or to prevent risk of collision.

7. (i) No traction engine shall emit steam in such a manner as to cause unnecessary noise or emit smoke or sparks so as to cause danger or annoyance to the public.

Emission of sparks, smoke and visible vapour.

(ii) No motor car shall be so driven as to cause it to emit smoke or visible vapour.

8. (i) The width of tyres on all traction engines and motor cars shall be such that the weight per inch of width shall not exceed four hundredweight.

Tyres.

(ii) The wheels of traction engines driven by steam shall, subject to such exemptions as may be granted in any State by the Resident thereof, be fitted with smooth tyres which shall where the tyre touches the ground be flat in cross section.

(iii) The wheels of other traction engines and of all motor cars shall, subject to such exemptions as may be granted in any State by the Resident thereof, be fitted with pneumatic or solid rubber tyres.

(iv) The wheels of carriages attached to traction engines shall not be fitted with metal tyres unless such tyres be smooth.

(v) No tyres which are in such a condition as to be likely to cause undue damage to a roadway shall be used on any traction engine, motor car or carriage on a public thoroughfare.

9. No carriage shall be used on a public thoroughfare unless the same be licensed by a licensing officer appointed under the Enactment, and no carriage shall be used for hire or trade purposes on a public thoroughfare except under a licence expressly authorizing such use and except in conformity with all the terms of such licence, whether relating to the maximum load or otherwise; provided that nothing in this rule shall apply to any portable engine.

Unlicensed carriages prohibited.

10. No more than three carriages shall be attached to any traction engine and there shall be an efficient attendant in charge of each carriage; provided that this rule shall not apply to Renard or similar road trains operated in accordance with the orders of the Chief Secretary to Government.

The number of carriages that may be attached to a traction engine.

11. (i) Every traction engine, motor car and carriage other than a portable engine shall have affixed thereto at the front and at the back in conspicuous positions approved by the licensing officer plates, to be supplied by and fixed by the owner of the traction engine, motor car or carriage, bearing a distinguishing number together with the letters PK, SL, NS or PA, as the case may be. Such numbers and letters shall be delineated in white lines not less than half an inch wide on a black ground and the height thereof shall not be less than as hereunder stated—that is to say,

Number plates.

for motor bicycles ... one inch and a half

for motor cars plying for hire ... four inches

for other motor cars and for traction engines ... three inches and a half;

and such numbers and letters shall not be obscured or rendered or allowed to become not easily distinguishable.

(ii) The plates to be affixed under this rule to motor cars plying for hire shall also display the letter H over the centre of the number and letters hereinbefore prescribed and shall not be affixed until they have been approved by the licensing officer.

"THE TRACTION ENGINES AND MOTOR CARS
ENACTMENT, 1912"—(cont.).

(iii) The general identification marks which may under proviso (b) to section 4 of the Enactment be assigned to dealers shall be such plates as are described in paragraph (i) of this rule with the addition of the letter D over the centre of the prescribed number and letters. A fee of ten dollars per annum shall be payable on the assignment of such a mark to a dealer.

(iv) Every motor car plying for hire on a fixed route shall carry in a conspicuous position a board on which shall be painted in legible letters the names of the places between which the car plies for hire.

Licensing of
traction
engines,
carriages and
motor cars.

12. No licence for a traction engine, carriage or motor car shall be issued for a period of less than three months or for any period other than a period expiring on the last day of March, June, September or December, as the case may be, and no licence for a motor car to be used for hire purposes shall be issued for a period of more than three months, and no licence shall remain in force after the 31st day of December next following the date of its issue. Licences shall be in the form contained in schedule I to these rules.

Fees for
licences.

13. Fees shall be charged for licences at the rates hereunder set forth: provided that where the period of a licence exceeds six months but does not exceed nine months the fee therefor shall be at three-fourths of the rates hereunder set forth, where the period of a licence exceeds three months but does not exceed six months the fee therefor shall be at one-half of the rates hereunder set forth, and where the period of a licence does not exceed three months the fee therefor shall be at one-fourth of the rates hereunder set forth:

TRACTION ENGINES.

Not exceeding 1 ton weight	\$ 50
Exceeding 1 ton weight and not exceeding 2 tons weight ...	75
Exceeding 2 tons and not exceeding 3 tons weight ...	100
Exceeding 3 tons and not exceeding 6 tons weight ...	150
Exceeding 6 tons and not exceeding 10 tons weight ...	200

If fitted with pneumatic rubber tyres on all wheels, half the above rate.

CARRIAGES.

For every ton weight or part thereof	\$30
---	------

MOTOR CARS FOR LETTING OUT ON HIRE OR FOR THE
CONVEYANCE OF PASSENGERS FOR HIRE.

If fitted with pneumatic rubber tyres on all wheels, at the rate of twelve dollars for each one of the total number of passengers authorized by the licence to be carried;

If not so fitted, at the rate of twenty-four dollars for each one of the total number of passengers authorized by the licence to be carried.

MOTOR CARS NOT TO BE LET OUT ON, OR TO CONVEY
PASSENGERS FOR, HIRE.

For every motor bicycle or motor tricycle	\$12
For every cycle car	18
For every motor car for the conveyance of not more than three persons, including the driver	24
For every motor car for the conveyance of more than three but not more than five persons, including the driver	36
For every motor car for the conveyance of six or more persons including the driver	50

The licence fee shall be paid at the time of the issue of the licence to the licensing officer who shall credit the same to the revenue of the State in which the licence is issued.

Speed
restrictions.

14. Every licence for a traction engine for hire or trade purposes shall contain such restrictions in respect of the speed at which such traction engine may travel as to the licensing officer may appear expedient.

Drivers'
certificates.

15. Drivers' certificates shall be in the form contained in schedule II to these rules and for every such certificate a fee of ten dollars shall be payable to the licensing officer who shall credit the same to the revenue of the State in which the certificate is issued.

Should such certificate be lost or destroyed a duplicate may be issued, and for every such duplicate a fee of two dollars shall be similarly payable.

16. (i) For the purpose of the issue of drivers' certificates, motor cars shall be divided into three classes, viz.:

- Class 1 omnibuses and lorries;
- Class 2 four-wheeled vehicles not being omnibuses or lorries;
- Class 3 motor bicycles and tricycles.

The classification of motor cars under this rule shall be in the discretion of the licensing officer.

"THE TRACTION ENGINES AND MOTOR CARS
ENACTMENT, 1912."—(cont.).

(ii) Where the holder of a certificate to drive a vehicle of one make included in one of the said classes satisfies a licensing officer that he is competent to drive a vehicle of another make included in the same class, the licensing officer shall, on application, make on the said certificate and authenticate by his signature an addition evidencing the competency of the holder to drive such last mentioned vehicle. For such addition no fee shall be payable.

(iii) Where the holder of a certificate to drive a traction engine of one make satisfies a licensing officer that he is competent to drive a traction engine of another make, the licensing officer shall, on application, make on the said certificate and authenticate by his signature an addition evidencing the competency of the holder to drive such last mentioned traction engine. For such addition no fee shall be payable.

(iv) No certificate shall be issued to drive motor cars of different classes or to drive both motor cars and traction engines.

17. (i) Every traction engine and motor car whilst in motion or stationary on any public thoroughfare between sunset and sunrise shall carry two clearly visible white lights enclosed in lamps, one of which shall be affixed to each side of the front of the traction engine or motor car so as to exhibit a conspicuous white light in front, and shall also exhibit a light enclosed in a lamp affixed to the back of the traction engine or motor car in such position and manner as to exhibit to persons being or approaching from behind the traction engine or motor car a clearly visible red light and also to throw a white light on the number plate; provided that in the case of a motor cycle it shall be sufficient if one clearly visible white light enclosed in a lamp be carried in front thereof. Lights.

When a carriage or carriages is or are attached to a traction engine there shall also be exhibited a clearly visible red light enclosed in a lamp at the back of the last carriage.

(ii) No bright headlight shall be exhibited on any traction engine or motor car on any public thoroughfare unless the light be effectively screened, by some means to be approved by the licensing officer, so that inconvenience to other users of the road may be avoided.

18. (i) No traction engine for hire or trade purposes which is by the terms of its licence restricted to travelling, when so loaded as to exceed 6 tons in weight, at a speed not exceeding six miles per hour shall when loaded exceed 10 tons in weight, and no such traction engine which is not by the terms of its licence restricted as aforesaid shall when loaded exceed 6 tons in weight. Limits of weight of traction engines, motor cars and carriages for hire or trade purposes.

(ii) No motor car for hire or trade purposes shall exceed 4 tons in weight.

(iii) Except in the case of a portable engine, no carriage for hire or trade purposes which is drawn by a traction engine shall exceed 6 tons in weight.

19. (i) No traction engine or motor car used for hire or trade purposes on a public thoroughfare shall be of dimensions exceeding the following: Limits of size.

Length over all	24 feet
Width	7 „ 6 inches
Height from ground	11 „
Wheel base	15 „

(ii) No carriage for hire or trade purposes which is attached to a traction engine used on a public thoroughfare shall be of dimensions exceeding the following:

"THE LAND ENACTMENT, 1911."

INTERIM AWARDS UNDER SECTION 91.

No. 229.—Whereas land formerly held by V. R. S. Periasamy Pillay, late of Tanjong Malim, under town grant No. 2,348, in the township of Tapah, in the district of Batang Padang, containing an area of 1,740 square feet, has been resumed by Government for a public purpose—viz., for a Government building.

And whereas there is reason to believe that V. R. S. Periasamy Pillay, the registered owner of this lot is an interested person, and that he or his duly appointed agent has failed to appear on the day fixed to state the nature of his interest in the land and the amount and particulars of his claim to compensation for such interest.

Now, I, Raja Kamaralzaman, Collector, Batang Padang, do hereby offer to the said V. R. S. Periasamy Pillay, his heirs and assigns the sum of \$70 only as full compensation for the land aforesaid so resumed by Government and I make this interim award under the powers vested in me by section 91 of "The Land Enactment, 1911."

Dated at Tapah, this 24th day of December, 1919.

RAJA KAMARALZAMAN,

Collector, Batang Padang.

No. 665.—Whereas 29 poles of land formerly held by David William Fowler Hatelie, William Norman Payton, Leonard Trevor Williams and Mah Fung Fee under mining lease No. 9,470, plan No. 24,593, area 9 acres 39 poles, Ulu Kinta, has been resumed by Government for a public purpose—to wit, a railway:

And whereas notice to appear before the Collector was duly served on the said David William Fowler Hatelie, William Norman Payton, Leonard Trevor Williams and Mah Fung Fee, and whereas the said David William Fowler Hatelie, William Norman Payton, Leonard Trevor Williams and Mah Fung Fee failed to comply with such notice, now I, Alfred John Sturrock, Collector of Land Revenue, Kinta, hereby offer to the said David William Fowler Hatelie, William Norman Payton, Leonard Trevor Williams and Mah Fung Fee the sum of dollars nil as full compensation for the land aforesaid so resumed by Government, and I make interim award under the powers vested in me by section 91 of "The Land Enactment, 1911."

Dated at Batu Gajah, this 28th day of January, 1920.

A. J. STURROCK,

Collector, Kinta.

PROPOSED REVOCATION OF RESERVE.

No. 728.—Whereas by *Gazette* Notification No. 590 of the 28th September, 1906, the land described in the schedule hereunder was, in exercise of the powers vested in him by section 8 of "The Land Enactment, 1903," directed by the Resident of Selangor to be reserved for a public purpose, that is to say, to be a reserve for the purpose of a brickfield, to be maintained by the State Engineer:

And whereas it is now desired to revoke the said reservation:

Notice is hereby given that the Resident, in exercise of the powers vested in him by section 10 of "The Land Enactment, 1911," proposes to revoke the said reservation in whole and that any persons desiring to show cause against such revocation will be heard by the said Resident at 11 a.m. on the 1st March, 1920, in the Council Chamber of the Government Offices in Kuala Lumpur, in the State of Selangor.

This notification is made under section 10 (ii) (a) of "The Land Enactment, 1911."

Dated at Kuala Lumpur, this 30th day of January, 1920.

C. W. HARRISON,

Secretary to Resident, Selangor.
